SUPPLEMENT TO REPORT NO.

1. Russian workers are employed at the uranium mines near the village of Jana, near Kremikovtzi (sic), northeast of Sofia. No Bulgarian workers are permitted in the vicinity which is said to be guarded by a large force of secret agents. The ore is shipped to the Soviet Union.

Comment: In September 1947 it was reported that uranium was being mined near Kremikovtzi and near the town of Lom, north of Sofia.)
